The Fighting Tigers opened their successful six win, three loss season by downing the Granite City Warriors, using their newly developed offensive-defensive strategy—Isselhardt wing "T",—Cromer "Oklahoma 5-4-2". Following the Granite 23-12 win, the Bengals came from behind to out-man the Wood River Oilers 13-12 and then impounded the Staunton Bulldogs 45-7 mostly by means of a fine aerial attack.

The losing jinx hit the E. H. S. winning pride with a one-two punch in the form of Collinsville and Belleville. The Homecoming inspired Kahoks were so determined that they sent injured Tigers to the side line, where they watched a 7-26 "shellacking". Injure riddled but still fighting, the Bengals received the short end of the E. H. S. Homecoming spectacle with Belleville 25-13.

Bouncing from defeat, the Tigers once more caught fire and defeated an always powerful Alton Redbird team 20-7. In the next outing against Roxana, the Tigers threw mud for three quarters before tromping their victims into it 7-6 in the fourth stanza.

The Bengals then were upset by a small but "full of fight" Madison ball club 13-15. Penalties and touchdown callbacks added to the upset but perhaps maddened the Tigers as they sought revenge and found it at Springfield 33-14. The Lamphier Lions found that Tigers rule the football field as well as the jungle.

More football enthusiasts attended E. H. S. football games this year than any other ever recorded. Students, realizing football has been rising from the doldrums at E. H. S. in recent years, gave it their 100% support, helping it add to the activities of E. H. S.

Our Tigers began the season with a slow 2 win—3 loss start before picking up the winning tempo. They won the E.H.S. invitational tourney and improved to a 8 win 5 loss record. Of these five defeats the Tigers opponents were able to out score the lads from E.H.S. by an average margin of only five points. Following the fifth loss at Quincy, the Bengals marched through the remaining

scheduled season undefeated. This unsustained march of twelve victories in a row was attributed to fine teamwork and polished coaching. These victories led to second place in the Egyptian Holiday Tournament, first place both in the E.H.S. Invitational Tourney and Southwestern Conference, and an impressive 20 win—5 loss record. All students were proud of the '55-'56 team, and expressed this pride in the largest attendance of students at the basketball games in E.H.S. history. Their support increased as they and the Tigers prepared for the Illinois High School Tourney finals.

waiting for the tigers

"On to the state" was the cry from the thousands of E.H.S. followers as the tourney began. Backed by the many rooters from the community, the Tigers journeyed to Alton to meet their first obstacle on the road to state.

The Fighting Tigers won the toughest regional round in the state, downing the best opposition there in Madison, Alton, and Collinsville. They captured a berth among the sweet sixteen of Illinois by defeating Litchfield and Jerseyville in the sectional round at Wood River. The Bengals then advanced to the super-sectional and overcame a 19 point half-time deficit to win the first round of the state finals in one of the most inspired basketball games ever seen in Southern Illinois. St. Anthony of Effingham, the Tigers foes at Salem, was surely one of the finest teams ever played by any Tiger team.

Our Tigers then advanced to the Illinois State Finals at Champaign to match their talents against the seven other teams competing in the newly organized "Elegant Eight". In the first round the Tigers performed as veterans in the state finals and defeated their first opponents—Quincy. In what proved to be a revenge game, our Bengals showed exceptional defense and ball handling, which handcuffed the Blue Devils.

After the first round our Tigers were the sole representative of Southern and Central Illinois. In upholding the responsibility bestowed upon them, the Bengals trounced Oak Park convincingly. The fighting Tigers jumped off to a commanding lead and were threatened only once when the Huskies cut their lead to five points. This game proved to be the best offensive game staged by the Tigers in the tournament. In fact, the squad lacked only one point of tieing the state tournament record of 89 points in one game .

The Tigers were viewed by millions over T.V. as they played the finals against top rated West Rockford. In a see-saw game that all will remember, the Tigers were defeated by a mere two points. In winning second place in the state, our Tigers showed the very finest showmanship and sportsmanship of basketball.

You Select A College... You Join A Fraternity...

AS YOU PONDER THE QUESTION "Which college shall I attend?" you give consideration to its characteristics; the courses it offers; its general reputation and prestige; and its leadership in the field of your particular interest. You endeavor to determine which institution can serve you best.

WHEN YOU JOIN A FRATERNITY you will try to select the one which will mean the most to you, both during your school years and in later life. Fraternal "connections" are important and meaningful, so you try to associate yourself with the best of them.

BUSINESS MEN ESTABLISH BANKING CONNECTIONS upon much the same basis. Here, too, connections are important and meaningful. Your bank and your banker can be very helpful to you. The more you realize this the more you will want to associate yourself with a bank where you will be assured of an understanding approach to your problems and can depend upon its readiness and ability TO SERVE YOU BEST.

START with the bank you will want to CONTINUE WITH!

START with "EDWARDSVILLE NATIONAL"!
